

## Inside Sales Specialist

We are looking for an **Inside Sales Specialist** to join our team.

GVA Lighting creates outstanding lighting systems and signature lighting projects worldwide in cooperation with the best lighting designers and architects in the world. Our engineering, design and manufacturing takes place right here in the Greater Toronto Area and you can be a part of it! Check out some of the amazing [lighting projects](#) we completed recently.

### **A day in the life of an Inside Sales Specialist is complex, fast paced and rewarding.**

You will be growing and fostering business relationships with our clients around the world as well as interfacing with our engineers and production managers right here in Canada. This is as much a people focused and technically oriented as it is a project management role. There will be a lot to learn, and we are willing for those who are ready to grow and develop their skills.

Each of our projects is unique and requires ongoing contact with various players in the industry including architects, engineers, lighting designers, contractors, distributors, and sales agencies. This is the reason why we are looking for a detail-oriented and self-driven candidate who will rely on technical knowledge and team up with our partners in developing the solutions which will best enable our customers to create unique and exceptional lighting projects.

### **What you will be doing**

- Selling GVA LED lighting products to customers to achieve company sales and growth targets
- Assisting customers in the selection of correct lighting fixtures, controls, and power supplies for project specific applications
- Maintaining constant communication and assisting company's sales agents located within Canada
- Creating quotes, reviewing order entry for accuracy, and providing exemplary customer service
- Follow up on quotes, product demonstrations and other sales related opportunities with the customers via phone or email
- Manage and maintain client information in ERP system
- Other duties as required including general office duties

### **What would make you a great candidate**

- 2-4 years of experience in technical sales;
- A Technical Degree in Engineering or Science is preferred;
- Ideally you have sound experience in long selling cycle;
- You are tenacious, curious and a solution-oriented team player;
- A problem solver, you know how to close the sales and overcome hurdles without losing a beat;
- An excellent communicator with native fluency in English is required;
- Comfortable in a fast paced, electronic technology and engineering-based environment;
- Strong PC skills including Microsoft Office Suite;

- When needed, you will have an attitude of “I’ll take this into my own hands” to resolve situations

During the selection process you might undergo psychometric tests, as well as practical exercises to help us identify those who have the right attitude, skills, know-how and to find a cultural fit with our company’s values.

### **Why GVA?**

- We offer valuable learning opportunities enabling professional growth;
- You will receive a competitive salary based on skills and experience and a variable pay incentive;
- You will have room to grow your career;
- You may take pride in having participated in landmark projects at home and around the world;
- When you work with us you can qualify for professional development, employer sponsored health benefits and retirement savings plan.

We are an exceptional and talented team who believe in the GVA vision and share GVA values. Our passion and enthusiasm are contagious, and they have helped us attract great talent, partners, and clients. If you want to be part of a young, dynamic, and growing organization then you are the candidate we are looking for.

Send your resume and LinkedIn profile link to [hr@gvalighting.com](mailto:hr@gvalighting.com).
